The Interlude at Boulevard One rowhomes, located in Lowry, are ideally situated between beautiful Crestmoor Park and Lowry's Town Center offering the perfect mix between a suburban and urban lifestyle. To fit the context of the neighborhood, the horizontal planes of the elevation were emphasized with metal overhangs, while the brick detailing adds additional interest and privacy. These three-story townhomes have generous outdoor space on each floor, and the large roof-top decks have been reinforced to support hot tubs creating the perfect place to relax and enjoy the neighborhood.
